

PROJECT NAME: More Nurses Now

RECIPIENT: Weber State University

LOCATION: Ogden, Utah

PURPOSE: This request allows for continued support of outreach programs in the form of faculty, equipment, and recruitment costs. Future demand for nursing graduates will exceed capacity, and Weber State is looking to address this demand by building upon last year's More Nurse Now program. Weber State is the leader in integrated, career-ladder nursing and education with more than a third of all such graduates in the State of Utah.

AMOUNT: \$1,325,000
